

Fairfield Playbox Pre-School

EQUALITY AND DIVERSITY POLICY

Children and Families

Statement of intent

Fairfield Playbox is committed to valuing diversity by providing equality of opportunity and anti-discriminatory practice for all children and families.

Aim

We aim to:

- provide a secure environment in which all our children can flourish and in which all contributions are valued;
- include and value the contribution of all families to our understanding of equality and diversity;
- provide positive non-stereotyping information about gender roles, diverse ethnic and cultural groups and people with disabilities;
- improve our knowledge and understanding of issues of anti-discriminatory practice, promoting equality and valuing diversity; and
- make inclusion a thread that runs through all preschool activities.

The legal framework for this policy is:

- Children Act 1989;
- Special Educational Needs and Disability Act 2001.
- Equality Act 2010
- Children and Families Act 2014

Methods

Admissions

Playbox is open to all members of the community.

- We advertise our service widely.
- We reflect the diversity of members of our society in our publicity and promotional materials.
- We provide information in clear, concise language, whether in spoken or written form.
- We base our admissions policy on a fair system.

- We ensure that all parents are made aware of our Equality and Diversity policy.
- We do not discriminate against a child or their family, or prevent entry to Playbox, on the basis of colour, ethnicity, religion or social background, such as being a member of a travelling community or an asylum seeker.
- We do not discriminate against a child with a disability or refuse a child entry to our playgroup because of any disability.
- We develop an action plan to ensure that people with disabilities can participate successfully in the services offered by the preschool and in the curriculum offered.
- We take action against any discriminatory behaviour by staff or parents. Displaying of openly racist insignia, distribution of racist material, name calling, or threatening behaviour are unacceptable on or around the premises and will be dealt with in the strongest manner.

Curriculum

Our preschool encourages children to develop positive attitudes about themselves as well as to people who are different from themselves. We encourage children to empathise with others and to begin to develop the skills of critical thinking.

We do this by:

- making children feel valued and good about themselves;
- ensuring that children have equality of access to learning;
- recognising the different learning styles of girls and boys, making appropriate provision within the curriculum to ensure each child receives the widest possible opportunity to develop their skills and abilities;
- positively reflecting the widest possible range of communities in the choice of resources;
- avoiding stereotypes or derogatory images in the selection of books or other visual materials;
- celebrating a range of festivals;
- creating an environment of mutual respect and tolerance;
- helping children to understand that discriminatory behaviour and remarks are hurtful and unacceptable;
- ensuring that the curriculum offered is inclusive of children with special educational needs and children with disabilities;
- ensuring that children learning English as an additional language have full access to the curriculum and are supported in their learning; and
- ensuring that children speaking languages other than English are supported in the maintenance and development of their home languages.

Valuing diversity in families

- We recognise the diversity of family lifestyles and work with all families.
- We encourage parents/carers to take part in the life of the preschool and to contribute fully.
- For families who speak languages in addition to English, we will develop means to ensure their full inclusion.
- We offer a flexible payment system for families of differing means and offer information regarding sources of financial support.

Food

- We work in partnership with parents to ensure that the medical, cultural and dietary needs of children are met.
- We help children to learn about a range of food, and of cultural approaches to mealtimes and eating, and to respect the differences among them.
