

# Fairfield Playbox Pre-School

## **SPECIAL NEEDS STATEMENT**

At Playbox we welcome all children including those with special needs, such as language and communication difficulties, developmental delay, visual or hearing impairment, challenging behaviour and/or physical disabilities.

Staff are not qualified to diagnose medical problems, but after years of relevant training and experience, we can recognise areas of development that may need help or investigation and may suggest a visit to Health Visitor or G.P.

Occasionally we may, with parental consent, consult with the Inclusion and Improvement Adviser for Achieving for Children.

We work in partnership with parents and other agencies such as physiotherapists and speech and language therapists in order to meet individual children's needs.

If you have any worries about your child's development please do not hesitate to talk to your child's Key Worker, or one of the Playgroup Leaders.
